In addition to this weekly ongoing program, plans are in progress to bring a virtual class on therapeutic yoga from no other than JSS sister institution. As most of you know the JSS has more than 350 institutions, all dedicated to education, service to humanity, and spiritual development. One such institution is JSS Nature Cure and Yoga Hospital in Coimbatore, Tamil Nadu, India. Subhas Malghan recently had the wonderful blessing of being a guest at the hospital to experience the power of nature cure. Two highly accomplished professors at this institution have agreed to conduct the therapeutic yoga program for the benefit of all interested. While we will roll out details shortly, you are welcome to contact Subhas Malghan or Sanjath Sulkunte for details.

The new temple construction project has been progressing with the following developments:

- The initial cost estimate for the new temple and community center is \$15M. With the grace of HH Jagadguru Sri Shivarathri Deshikendra Mahaswamiji we have selected a construction manager to join the JSS SM Construction Committee. The real work on selecting a site preparation company is in progress. The first sign of the construction you will see toward the end of May when the barn will be demolished.
- The Construction Committee led by Umesh Murthy continues to hold weekly and biweekly meetings to review progress and disseminate information.
- One of the major challenges has been slow progress of the collection of donations and pledges. Of the total cost of \$15M, our initial goal is to raise \$7.5M to enable us to seek a bank loan for the remaining funds. We need to raise at least an additional \$4.5M for the bank to consider our application.
- The fundraising committee has been working toward this goal. Our IT team led by Suresh Dasari and Sanjath Sulkunte has been busy implementing CRM to manage the funds collection process.

2023 donation plans

We continue to seek your best wishes and contributions toward the new temple project. As you visit the temple and Ashram in the coming days, please ingrain in your hearts and minds the image of the new temple and begin connecting your consciousness so that the collective consciousness will materialize into a reality. Most of all, we need your financial commitment to successfully execute this project.

Shiva Shakthi Maha Yagnam

Shiva Shakthi Maha Yagnam was conducted at the JSS SM from May 9-14. This is the first of a kind of devotional/spiritual activity being conducted for the benefit of all of us. On a broader scale, consecration of the land before we start the new temple construction would benefit not only this land of JSS SM but also

the land all over and living beings residing upon it. The purpose is much larger and let us pray collectively to Mata

Chamundeshwari to grace Her blessings upon all followers. During the week over 1000 devotees participated in the yagnam.

As part of the program, Deeksha program was held for kids for their well being and had an opportunity to witness and participate in the yagnam. As a conclusion of the program, kumbabishekam was held for all the deities.
